### **Partnership and Sponsorship Requests**

St. Elizabeth Healthcare, a not-for-profit 501(c)(3) organization, is committed to supporting the Greater Cincinnati region by donating time, resources and expertise to various community events and organizations. If you are seeking a partnership with or a sponsorship from St. Elizabeth Healthcare, please submit the sponsorship request form to [sponsorships@stelizabeth.com](mailto:sponsorships@stelizabeth.com).

Please submit all requests at least **60 days prior** to the publication of any marketing materials for the event and/or your sponsorship deadline. Any requests submitted less than 60 days prior to deadline may not be considered.

While we strive to support as many important initiatives as possible, we are unable to fulfill every request we receive. Therefore, all applications will be reviewed against the following criteria:

- Does the request benefit community members in the areas of health and wellness education?
- Does the request educate the community on preventative health and wellness?
- Does the request improve community interaction with St. Elizabeth Healthcare and St. Elizabeth Physicians?
