

Major and Signature Gifts

Major and Signature gifts from individuals and organizations provide our community the best that healthcare can offer. As reform and other changes shift the healthcare landscape, these gifts become increasingly important for communities to stay at the very top of healthcare excellence.

Major and signature gifts to St. Elizabeth Healthcare have given the community:

- Ambulatory Care Wing
- Breast Health Center
- Cancer Care Center
- Cardiovascular Mobile Health Unit
- daVinci Surgical Robots
- Hospice Center
- Mobile Mammography Van

A major gift begins at a donation level of \$50,000, while Signature gifts total \$250,000 or more. For gifts of this size, naming and other recognition opportunities are available.

To speak to someone about your giving options, please call the St. Elizabeth Foundation at (859) 301-3920 or send an email to foundation1@stelizabeth.com.
